

Texas Industries of the Future

Texas Industrial Energy Management Forum
Beaumont, Texas
April 7, 2005
Holiday Inn Atrium Plaza

Welcome to the first Texas Industrial Energy Management Forum to be held in Beaumont. Hosts include Texas Industries of the Future, the Southeast Texas Section of the AIChE, the Golden Triangle Business Roundtable, and the Chemical Engineering Department of Lamar University.

- Chuck Haley, Goodyear, [“Goodyear Beaumont Energy Initiative-2004”](#)
- Terry Welch, Technology Director, The Dow Chemical Company
[“Improving Energy Intensity in the Texas Chemical Manufacturing and Refining Sectors”](#)
- Lori Ryerkerk, Plant Manager, ExxonMobil Refinery, [Presentation](#)

Funding for the Forum provided by the US DOE, through a contract with the Texas State Energy Conservation Office.
