August 2017 Newsletter

TEXAS INDUSTRIAL ENERGY MANAGEMENT FORUM, IN CONJUNCTION WITH THE AIChE SOUTHWEST PROCESS TECHNOLOGIES CONFERENCE OCTOBER 12, 2017, GALVESTON, TEXAS

Join us on October 12 for the Texas Industrial Energy Management Forum, to be held in conjunction with the AIChE Southwest Process Technology Conference in Galveston. Topics for this session include a case study on optimization of CHP equipment (*Dow*), thermal oxidizer optimization through predictive control (*Ascend*), integration of divided wall columns in a shale oil processing unit (*ExxonMobil*), and smart manufacturing technologies and data analytics for improving energy efficiency in industrial energy systems (Oak Ridge National Laboratory).

Registration is now open at <https://www.aiche.org/conferences/southwest-process-technology-conference/2017/registration-information-9th-aiche-southwest-process-technology-conference>

ABSTRACTS BEING ACCEPTED FOR PRESENTATION AT THE NOVEMBER 2017 WATER MANAGEMENT FORUM, HOUSTON, TX

Panelists for briefings on/highlights of industrial water management programs, projects or technologies are invited to submit an abstract/synopsis for the November 2017 Texas Industrial Water Management Forum, to be held in Houston, TX (Brady's Landing). Please submit a one-paragraph abstract/synopsis with your contact information to ymtorres@mail.utexas.edu. Hurry the deadline for abstracts is August 16, 2017.

We want to help you conserve one of Texas' most precious resources. Our forums are a mechanism for you to share with and learn from others in your industry who have implemented innovative water management programs and conducted projects with impressive results. We also want to hear the challenges facing you in this important aspect of your operations. So please consider sharing your stories and joining us in November!

MARK YOUR CALENDARS!

TEXAS INDUSTRIES OF THE FUTURE UPCOMING EVENTS IN 2017

- *Texas Industrial Energy Management Forum, in conjunction with the AIChE Southwest Process Technologies Conference, October 12, 2017, Galveston, Texas*
- *Texas Industrial Water Management Forum, November 2, 2017, Houston, Texas*

Professional development hours are available for participation in all programs.
